N=414 registered voters

More than three-quarters initially would vote “Yes” on the ballot issue.

*There could be a proposal that county voters could be asked to consider this November –
Please indicate if the election were being held today and this proposal was on the ballot, would you vote YES or NO on the following question...*

Supporting voters value open space in the county and want to see it maintained and improved for future generations.

Reason
I generally support parks and open space
Maintenance is important for future generations
I love and use the outdoors
It's a good use of taxpayer funds
It's good for the health and beauty of our county
It's a minimal tax increase for the benefit
We need to protect wildlife
Improves the quality of life for all citizens

"I value open space and I think sales tax is a good way to go about it. I also like that it includes parks and maintaining historic buildings."
Female, 18-34, DEM

"Open space and recreation are vital to the community and mental health."
Female, 65+, DEM

"As population grow, people need more than roads and sidewalks for quality of life."
Male, 65+, REP

What are the one or two main reasons why you would vote yes on this proposal?

Next Steps/Timeline

Welcome any questions, input and feedback.

The Board of County Commissioners will decide in August whether to refer an open spaces reauthorization measure to this year's ballot.

Thank you for your continued support and partnership.

Projects Status & Milestones

Over the past months, Court Staff has been cross-training support staff on the Court Clerk responsibilities. This cross-training will create redundancy and provide additional coverage and customer service.

Court Staff has also been training on the Caselle court management software during the month of July. This software will streamline the Court's needs while providing flexible options to customize reports. It also offers more efficiency with the ability to track individual cases and fees for all offenses, set up individual pay schedules, track repeat offenders and adjust for community service in lieu of monetary payment.
